

# Learning Is A Hoot

It's always fun to learn something you don't know  
And use it in a way that helps you grow  
You figured out what all those new words mean  
Now everybody's impressed now when you speak  
Oh, reading, writing and arithmetic can make you quite astute

Oh learning is a hoot  
Learning is a hoot  
Once you get the hang of it  
Learning is a hoot  
Yeah, learning is a hoot

Knowledge is just like a great big tree  
The higher you climb, the further you can see  
When you study real hard and put it to the test  
It feels real good to know you've done your best  
And even better when you get to put it all to use

Oh learning is a hoot  
Learning is a hoot  
Once you've got the swing of it  
Learning is a hoot  
Yeah, learning is a hoot

You can teach yourself just about anything  
But you only get real good from practicing  
Stick with it long enough and you might find  
A way to do something no one else's ever tried  
Sometimes it comes easy, sometimes its a pursuit

Oh learning is a hoot  
Learning is a hoot  
Once you get good at it  
Learning is a hoot  
Oh learning is a hoot  
Yeah learning is a hoot  
Awww learning is a hoot  
And remember kids, early bird gets the worm
